EWER ARCHIVE P8530004

Published in:

[unknown source] ca. 1853. (Removed from original publication; as acquired.)

ANNUAL ADVERTISER. 241

MOULTHROP'S
SUN-BEAM, SKY-LIGHT GALLERY,
OF
DAGUERREOTYPES
Nos. 23 and 24
PHENIX BUILDING,
CHAPEL STREET, NEW HAVEN.

The subscriber would respectfully inform the public that he has recently not only enlarged, but greatly improved and completed his arrangements for taking miniature Likenesses, of every size, from the finger-ring up to the whole plate size, in a most superior style.

Success in this business requires greater experience, personal skill and artistic taste, than the unthinking public generally suppose, and as a consequence, few rise to any degree of eminence. We have for many years been improving in this highly interesting and useful art, and we think, arrived to a degree of excellence, that will enable us to give perfect satisfaction to the most competent connoisseurs in the art.

DAGUERREOTYPES, PAINTINGS,
ENGRAVINGS, &c.,
COPIED, AND IF REQUIRED, ENLARGED.

The arrangement of light is new, and believed to be superior to any other in the State, for producing uniformly soft and bold pictures. Arrangements will shortly be completed to take pictures on paper and ivory. Stormy or cloudy weather no detriment to taking fine pictures. CHILDREN OF ALL AGES TAKEN.

M. MOULTHROP.
