[captions:]

Tim: I never watched them make a move before, Barney—
Barney: You're in for a treat, Tim—The head cameraman is a personal friend of mine—
Stage hand: Quiet on the set! All actors take positions!
Barney: Tim, meet Louis Daguerre. When it comes to photography, he's nothing short of a genius—
Daguerre: Hi, kids!
Tim: Oh, I've heard of you—you're the inventor of the daguerreotype—the forerunner of modern picture taking—
Barney: Working on a new picture, Louis?
Daguerre: Yes, we're filming it in Wonderamascope—Hope the customers don't get sore necks trying to see all of the screen—
Tim: Say, Mr. Daguerre—I'd like to have a picture of Barney and me to take home as a keepsake—Do you suppose—
Daguerre: Why, I'd be delighted, Tim—
Daguerre: First portrait I took, the subjects had to sit motionless for a half an hour—
Barney: Smile, Tim—
Tim: Cheese!

---

EDITOR'S NOTES:
This cartoon is from the "Imagimania" series. Other notables featured are Jakob and Wilhelm Grimm, Henry Clay, Henry Morton Stanley, Diogenes, and Nebuchadnezzar. The final cartoon alludes also to Confucius, Kublai Khan, Billy the Kid, and Patrick Henry. (The clippings acquired by the editor do not encompass the entire series.)

The "Tiny Tim" cartoon series began in 1933 and continued until 1958, a year after the death of its creator, Stanley Link, and when Link's prepared work ran out.[1]
